A Suggestion

All Evergreens will retain their beautiful color best by late fall, winter and early spring watering. Keep them green by keeping them well watered.

Your Evergreens will be improved by regular shearing. Do not allow them to become outgrown, but keep them compact from the beginning. We offer expert service in shearing, fertilizing and transplanting. Keep this in mind. Our phone number is **GARfield 3-5461**, Kimberly, Idaho.

Our 56 years experience, enables us to offer you all the items in greatest demand at the most reasonable prices. We invite you to **CALL** and **BROWSE**.
